

# Journey to Gold Mountain

by Allison Chen

Imagine it is 1848 in southeastern China. You are a teenager listening wide-eyed to a tale spun by an American trader. Gold has been discovered in California. Gold fever grips the world! Tales of fabulous wealth attract many young people in China who make the long, difficult voyage across the Pacific to "Gold Mountain," their name for California.

**Find an effect of the discovery of gold.**

Definition ↑

A cause is the reason something happens. An effect is the result of the cause.

**Cause:**  
Gold was  
discovered in  
California.
