Directions: Say each word aloud with children. Have children write the word in the correct column.

Phonics

Letter *u* Game

My uncle sings a tune
 A tune with changing words
 It takes the sounds and swaps them out
 The tune with changing words.
 It makes a cub a cube,
 It makes a cub a cup,
 It makes his red umbrella fly, up and up and up!

To the tune of "The Farmer in the Dell"

Directions: Read the chant with children. Have children highlight or circle the short *u* words. Have children highlight in another color or underline the long *u* words.
